This activity is not related to or sponsored by the Cypress-Fairbanks Independent School District.

### 2014 -2015 TUMBLEWEEDS: FRIDAYS - (6:30pm -8:00pm!!!)

#### 2014 -2015 Season Update

Please note that due to the popularity of the program, Tumbleweeds will remain on Friday nights. Tumbleweeds will now have access to 8 courts, which will allow for more opportunity to play against other teams within the program. We are very pleased with the direction that Tumbleweeds is heading and are looking forward to another successful season.

#### Philosophy

Our Texas Tornados Tumbleweeds program is the perfect fit for girls & boys in the 4<sup>th</sup> -6<sup>th</sup> grade who are looking to develop the necessary skills that are essential for continuing on to make one of our 11s – 18s teams at Texas Tornados. This program is great for After a 90 minute evaluation; players are placed on teams with fellow Tumbleweeds of similar abilities. This allows coaches to cater all Team Practices to the specific skill level of his or her team.

As a developmental league, no try -out is necessary as every player who signs up makes a team. Teams will train once a week for three months and practices will alternate between Team Practices and Skill Training. Team Practices will be run by each team's assigned coach and will be based on the needs of the team. Where as Skill Training will be more individual based and skill-specific. Coaches will emphasize discipline and focus, without compromising the 'fun'. While we do encourage equal playing time, it is up to the individual coach's discretion to determine line-ups for tournaments.
