READY TO GO TO WAR

If it's war you want, it's war you get! The battlefield is Huntsville. This is hand to hand combat, mano a mano. Lace up your shoes and headgear nice and tight because there's going to be turbulence. AAU Tennessee is putting their full support behind the effort and many of their troops will be crossing the border to join the battle.

To the victor goes the spoils and this week, we will be awarding custom engraved Rudis Swords to the Outstanding Wrestlers in each age division. The Rudis Wooden Sword was awarded to Roman Gladiators who had earned their freedom through glorious combat.

Don't wait until the end of the season; get rewarded each week for your hard work and accomplishments on the battlefield.

It's time to man up and show what you're made of! ***Come take part in the best run tournaments in Alabama.***

SATELLITE WEIGH-IN INSTRUCTIONS

NOTE: All Divisions will use satellite weigh in sheet. We encourage and fully expect our coaches and club representatives to demonstrate honor and integrity in the weigh-in process. Each Club will weigh in their wrestlers on Thursday night before practice or by Friday before the noon deadline. The Wrestler's weight will be written on his left arm by a coach or club representative. The coach will then email the official weigh-in document to the Tournament Operations Director and State Teams Director by the noon CST deadline on Friday morning. The only document that will

be accepted for satellite weigh in will be the one provided by the Tournament Operations Director. If you do not have a copy please e-mail him to obtain a copy. The Tournament Operations Director will match the Club Weigh-in Document to the Trackwrestling Pre-Registration Data to ensure all wrestlers are in the correct bracket.
