

AAU SELECT TOUR BASKETBALL CAMP

These camps have an emphasis on teaching advanced *skill* concepts, *education* on the recruiting process, player *evaluations* and *exposure*. These showcases are for boys in rising grades 6th to 12th. There will be (2) divisions: Elite (9th – 12th) & Junior Elite (6th – 8th).

SKILL DEVELOPMENT/CLASSROOM SESSIONS

Each participant is worked out by our staff of coaches which include former and current college coaches, former professional players, and top high school coaches. Sessions include ball-handling, shooting, rebounding, and defensive drills focusing on the fundamentals of the game. We also conduct classroom sessions during the camp that focus on NCAA compliance and the recruiting process, and we make sure athletes are very aware of the do's and don'ts. Players are people and students *first* before anything else. A motivational speaker will also address the camp on *Life Decisions*.

EXPOSURE

We understand one of the main reasons players attend events is exposure and to compete against the best! NCAA Certified Scouting Services will be covering our events. College Coaches are also invited to attend. A personal player evaluation will be sent to each participant after the event and this is an important piece of the program that gives the athletes an in depth look at his strengths and weaknesses. Personal Highlight video mixtapes are made available at each event and all games are filmed, uploaded on our website and made available to college coaches.
