The Lady Gators Basketball Organization prides itself on hosting among the most well organized tournaments in the Northeast.

The tournaments use quality facilities throughout the state including numerous college sites, high schools, and private multi-court air-conditioned facilities. There are 2 board certified IAABO officials per game and electronic scoreboards operated by experienced staff. As an added benefit for players' safety, there is a certified athletic trainer at sites with 3+ courts.

Every attempt is made to create the best possible match-ups based on registration information provided by participating team coaches. Teams from New England, New York, New Jersey, and Canada attend. An important aspect of the tournaments is that games are played on time or ahead of schedule, so that teams can depend on getting home at a reasonable hour.

Refreshments are available at all sites and tournament apparel is offered at strategic locations so that all teams have access.

I invite you to enjoy the Lady Gators Tournament experience!
