Outdoor volleyball is growing at a tremendous rate in the United States. The recent success of the US men's and women's teams at the Olympics and the increasing number of colleges that are adding sand volleyball as a scholarship varsity sport make this the perfect time to hit the grass and sand. The outdoor game is a great way to improve all your skills. Learn to communicate better, increase ball control, jumping ability, blocking mechanics as well as increasing your overall fitness and most important, have fun.
